SENIORS ANNOUNCE WEEK PROGRAM

Plans Made for Alumni Reception, Prom, Class Day Activities and Convocation

MT. VERNON PILGRIMAGE

Prizes Being Offered for Best Posters Submitted for Week Program

A program extending over the final week before June commencement has been approved by Presidents of the Senior Classes of George Washington University and committees to complete details for the second annual Senior Week festivities have been appointed with S. Hazen Bond, of the Law School, as chairman of Senior Week.

The Senior Week Committee is composed of the chairman, the five Senior class presidents, and chairmen of the four major committees, Prom, Class Day, Mount Vernon Pilgrimage and Publicity. Appointment of members of these committees will be announced in the near future. Marcel J. Bussard, of the Engineering College, has been appointed chairman of the Prom committee.

The Senior Week program opens with the Alumni Reception on Wednesday, May 27. Following the reception the Prom will be held Thursday, May 28, in the New Willard. The Baccalaureate Sermon will be Sunday, May 31, and on June 1, the Senior Classes will make their annual pilgrimage to the tomb of George Washington at Mount Vernon. On June 2 will be a reception for President and Mrs. Lewis, and June 3 will be devoted to the class day exercises. Convocation will take place at 8:00, Wednesday evening, June 3.

Prizes are also being offered by the Senior Classes for the best poster to be submitted for Senior Week. The first is a cash prize of \$5 and the second a cash prize of \$2.50. All drawings must be submitted to Katherine Hough on or before May 1, with the understanding that all may be used by the committee if desired.

A Faculty-Pyramid baseball game has also been scheduled for the afternoon of June 1. Before the game it is planned to have a number of Senior stunts. The Class Day exercises will be held on the back campus. Stands and a platform will be provided. A valedictorian will be chosen and class day oration delivered.

The Senior Prom this year will probably be the most elaborate affair ever staged by a Senior Class. Unique favors and programs have already been selected and the best music available will be secured. All members of the University may attend.

ORATIONS DUE SOON IN ORATORICAL CONTEST

Contestants Must Submit Copies to Gilbert Hall By April 14

All contestants in the National Inter-Collegiate Oratorical Contest must have a copy of their orations in the hands of Gilbert Hall by 6 o'clock on April 14, in order that their work be considered. Mr. Hall's office is at 1512 H Street Northwest.

A committee of which Gilbert Hall is chairman will then judge on the literary merits of these orations and select the one which will represent George Washington University in the National Contest. Contestants should remember that the spoken oration must be restricted to a 10-minute period of time.

Orations may be on one of the following subjects and no other: The Constitution, Washington and the Constitution, Hamilton and the Constitution, Jefferson and the Constitution, Marshall and the Constitution, Webster and the Constitution, or Lincoln and the Constitution.

Any bona-fide student in the University who has not received a degree, diploma, or certificate of graduation from any College or University is eligible to compete. Contestants must submit four typewritten copies in all. On one copy the student must put his signature, the name of the University, and his mail address. On the first page of the other three copies he must put his name only.

The prizes which will be awarded in the finals at Los Angeles are \$2,000, \$1,000, \$500, \$450, \$400, \$350, and \$300.

PAN-HELLENIC COUNCIL ANNOUNCES PROM PLANS

Final arrangements have been made for the Pan-Hellenic Prom which will be held this year at the New Willard Hotel, Friday evening, April 24, according to an announcement recently made by Marguerite Daly, President of the Pan-Hellenic Council.

Boernstein's Wardman Park music has been secured for the entire evening. Unique programs have been secured and refreshments will be served. According to present plans Pan-Hellenic trophies for track, bowling and basketball which have been won during the past year will be presented at the Prom.

OFFER REWARD OF \$25 FOR INSIGNIA DESIGN

Students and Alumni Eligible for Competition; Drawings Must Be In By May 1

An appropriation of \$25 has been made by the Faculty Committee on Student Activities to be given as a prize for the best insignia design to be submitted to the Insignia Council before May 1, according to an announcement made by Prof. Johnson, faculty chairman at a meeting of the Insignia Council held last Tuesday evening. The design selected will be used as an activities insignia which will be awarded by the faculty for proficiency in student activities.

All students and alumni of the University are eligible to compete in this insignia contest and any number of drawings may be submitted by an individual. The drawings must be on sheets 12 x 14 inches and it is suggested that the design be drawn from two to four times the actual scale. The scheme of the design is left entirely to the competitor except that it is suggested that some symbol or tradition of the University be incorporated.

Marguerite Daly was made chairman of a subcommittee of the Council to complete plans for the contest. All drawings and designs must be submitted to her at Dean Rose's office, Building No. 2, not later than noon on Friday, May 1. The judges selected to decide upon the proper design are Mrs. Joshua Evans, Jr., Dean Anna L. Rose, Prof. Bibb, Prof. Bolwell and Mrs. Mine Gerode Andrews.

A definite schedule upon which to award the proposed insignia was the principal topic of discussion at the Council meeting last Tuesday. The point schedule recently published, which had been adopted by the Faculty Committee on Student Activities, has been practically discharged for the present because of its apparent impracticability, and in its stead the council is now working on a substitute system of points based upon the time spent as well as work actually accomplished, and will include many of the activities not now recognized as so-called major activities.

The proposed schedule, when completed, will not be absolutely arbitrary, but will be subject to amendment and revision as conditions seem to warrant. The permanent Insignia Council is composed of Prof. Johnson, chairman, and a representative from each of the recognized honor societies of the University and presidents of all Senior Classes. In this way all activities are represented and every school will have a voice in the distribution of points.

NEW BUREAU TO HELP STUDENTS FIND WORK

Students desiring part or whole time work are provided an opportunity of securing employment through the "Student Self-Help Bureau," under the supervision of the dean of women. This bureau will recommend undergraduate men and women students for positions as tutors, directors of athletic work in private schools or playgrounds, and group work with children. Students will also be recommended for stenography, typewriting, driving automobiles and clerical work.

The bureau does not guarantee to find positions, but it will do everything possible to help deserving students find work to help meet expenses. Those interested should go to the office of the dean of women, Building 2, and fill out the necessary blanks. No fee will be charged to student or employer.

DRAMA GROUP PLANS GYMNASIUM THEATRE

Association Will Hold First Regular Meeting April 22 With Interesting Program

PLAN DRAMATIC FESTIVAL

Mimes, Dionysians, Troubadors and Players to Present Plays in May

Opening of the New Gymnasium Theatre has been set for Wednesday, April 22, at 8 p. m., at which time the George Washington Dramatic Association will hold its first meeting since it organized early in February.

The Association is composed of four distinct dramatic clubs, the Mimes, the Players, the Troubadors, and the Dionysians. An interesting program has been planned for the evening, including speeches by a prominent actress who will be in the city at the time, and by Leonard Hall, well-known dramatic critic.

The Association is planning a "Dramatic Festival," extending over a period of two weeks, during which each of the member clubs will be responsible for an evening's entertainment. Tuesdays and Saturdays, May 5, 9, 12 and 16, respectively, are the dates set for these plays.

Casts have been selected and work is under way in all of the clubs. Tickets will be on sale within a short time at the price of \$1 a performance, with a discount of 25 percent to holders of activity books, and a season ticket price of \$3 for the entire festival.

The gymnasium will be fitted with a stage, velvet curtains, and splendid lighting equipment. An interesting and varied program is promised.

The Dramatic Association is an organization comprising within its membership students in the University who are in any way interested in dramatics. The Association is the parent society and forms the reserve corps from which the four producing clubs, which do the actual work of presenting plays, draw material to fill their ranks for casting purposes.

In order to obtain the best results, the clubs must have a large quantity of material to choose from, and that means that the Association must have a large membership. Therefore, it is hoped that the Association will not stop with a membership including most of the students interested in dramatics, as is the present situation, but will continue to attract new members until its membership includes all those students interested in dramatics.

Anyone desiring to affiliate immediately may do so by seeing either Raymond C. Weber or Edward B. Moulton. Everyone is invited to come out and join the organization on April 22, 1925, at the George Washington University Gymnasium, 8 p. m.

LAW SCHOOL BANQUET TO BE HELD APRIL 18

Annual Dinner at Hotel Cairo, to Be Followed by Speeches, Songs And Dancing

"Dunce caps for the class with the smallest turnout" is the slogan for the Law School drive, according to Secretary Jordan.

The affair will be held at the Hotel Cairo, on I street between Sixteenth and Seventeenth, on Saturday, April 18, and if advance reports are any criterion, an overwhelming majority of the members of the Law School will be there.

The lid blows off at 7:45 and is not clamped on again until midnight, when the dancing that is to follow the dinner comes to a glorious end.

George Washington University songs, as well as some of the old favorites, will be sung throughout the meal, and for the post-prandials over which Dean Van Vleck will officiate, a distinguished speaker, not yet chosen, will address the banqueters.

Tickets may be procured for the small consideration of \$2.25 from the office of the Law School, or from any of the members of the committee, composed of Dean William C. Van Vleck, Secretary Jordan, and Profs. Earl C. Arnold and Gilbert Hare; Al K. Cherry, A. H. Moran, Ernest Wilkinson, Carlyle Maw, Virginia Metz, Mrs. Elizabeth Edwards, Vivian Simpson, Robert S. Gordon, Edwin S. Buttelheim, Helen Newman and Fay Woodward.

EDITORS PLAN TO SEND ANNUAL TO PRESS SOON

Editors of the Cherry Tree are making an effort to send the annual to press within the next ten days so that it may appear on time.

Copy is being sent to the printer every day and the final page proofs are being corrected. All pictures have been returned from the photographer and are being prepared for the engraver.

Arthur Perry, editor of the Cherry Tree, wants it understood that only enough books will be printed to satisfy the subscription list. It will be impossible, for financial reasons, to do otherwise; hence, all who want an annual should send in within the next few days at least \$1 with the subscription, and the rest when the books are published.

"VODOVIL" TO REPLACE ANNUAL MAY CARNIVAL

Program of Short Acts to Be Presented May 1 in Gym By School Organizations

Plans for a University "Vodovil" to be staged in the gymnasium on May 1, to take the place of the annual May Carnival, are being rapidly pushed to completion with over twenty organizations cooperating to the utmost to produce an evening's entertainment unequalled during the past year.

A large number of the fraternities, sororities and other organizations in the University are working up short acts to be presented. Over twenty have already been submitted for approval and probably that many more will be submitted before the final eliminations on April 17. From the acts submitted it is planned to select ten or twelve of the best.

Final eliminations will be held in the gymnasium starting at 7:30 p. m., April 17. All organizations who have not yet submitted their acts must do so before that time. All acts must not be more than fifteen minutes in length, and organizations can use their own judgment in their selections. Acts should be submitted to Coach Crum at the gymnasium, Graham Fly, at the Sigma Phi Epsilon house, or Marguerite Daly, 2139 M St., N. W.

Following the vodovil, which will start promptly at 8:30 p. m., on May 1, a dance will be held in the gymnasium. The entire proceeds from the undertaking will be used to purchase equipment for the gymnasium.

Among the acts already submitted for approval is a clog chorus, a crossword puzzle skit, board walk flirtation, a mind reading stunt, 20th century courtship of Miles Standish, a one-man wrestling act, orchestra selections, tangos, esthetic dancing, and selections by a trio or quartet from the men's Glee Club.

NOTED MUSICIAN TO COACH GLEE CLUB

The Men's Glee Club through the efforts of Director Robert Harmon and Professor Lapham has secured the services of a noted musician, Mischa Guterson, who will act as a coach in preparing the men for possible theatrical performances in the summer.

Mr. Guterson, presentation director of the Rialto Theater, is a native of Russia. He studied extensively at the Kief Imperial Conservatory and was also a member of the Moscow Conservatory Symphony Orchestra. Since that time his success has been apparent everywhere.

The men of the club are well pleased with Mr. Guterson. His remarkable ability and genial personality have won their admiration. No doubt he will be a great aid in developing the Glee Club into an organization worthy of bearing the colors of George Washington.

Director Robert Harmon has invited the club to give a concert the night of Easter Sunday, at his church, Second and S Streets, N. W. At that time the club will render a program of sacred music. The students are cordially invited.

TO GIVE CARD PARTY

The Girls G. W. Club is giving a card party Tuesday evening, April 21, at 8 o'clock in Corcoran Hall. A charge of 50 cents will be made, and the proceeds from the affair will be used to purchase a girl's cup and to help defray the other expenses connected with the second annual inter-class track and field meet.

RULES ANNOUNCED FOR ANNUAL MEET

Members of Varsity Track Squad Barred from Feature and Closed Events

ENTRIES CLOSE APRIL 13

Cup and Medal Awards for High Point Winners of Both Sexes

Plans for the second annual inter-class meet to be held April 18 under the auspices of the G. W. Club have been made and students desiring to participate are requested to have their entries in not later than April 13. Several changes in the events of last year have been made and awards will be given according to the number of points scored by each athlete.

The Louis A. Fischer Memorial Cup will be presented the class scoring the highest number of points in the meet. Last year the Seniors ran off with the honors and seem to have an excellent chance of doing it again this year with Capt. Simmons, Tolson and Johnnie Lochler carrying the brunt of the work. The highest individual point scorer in the men's open events will receive the Thomas F. Probey Cup, which was won by Hillory A. Tolson last year.

A cup, yet to be donated, is to be given to the highest point winner in the women's events. Beatrice Woodford won the cup last April which was donated by Bryan Morse, then director of student activities. The G. W. Club will give a gold medal to the highest point winner in the closed events; a silver medal for second honors and bronze for third.

Gold, silver and bronze medals will be given to the second, third and fourth individual point winners in the open and women's events. Cups will also be presented to the winners of the Interfraternity and Intersorority relay races. All cups and medals will be on display this week in one of the university buildings.

Coach Thomas F. Probey will act as referee and starter of all the events while H. Watson Crum, athletic director, will be the honorary referee. Professors Sutton, Moss, Doyle, Hall and Johnson along with other members of the faculty yet to be selected will be the judges and timers. Entry blanks may be secured at the University gymnasium.

Following the meet the medals and cups will be presented to the winners at a dance given by the G. W. Club in Corcoran Hall. President Lewis will award the Fischer Memorial Cup to the president of the winning class.

(Continued on page 4)

DAVIS PRIZE ORATIONS IN HANDS OF JUDGES

Oral Delivery Scheduled to Take Place on Tuesday, April 21

With the Davis Prize Speaking Contest just two weeks off, considerable interest is being manifest by University students of oratorical inclinations. Typewritten orations were to have been submitted to Professor Croissant by Friday of last week, and the contest itself is scheduled to take place on Tuesday, April 21.

Orations submitted last week will be read carefully by each of the judges and graded for excellence of content and composition. This mark will count 50 percent of the final grade. The orations will again be graded at the time of the contest for effectiveness of delivery, after which the judges in conference will determine the winner. Award of the prizes will be announced at the conclusion of the exercises.

The Davis Prize Speaking event dates back to the early days of the school. The original endowment was made to Columbian College in 1847 by Honorable Isaac Davis, of Massachusetts, and provides for three premiums in cash, or gold medals, to the value of five, ten and fifteen dollars annually. Only senior candidates for the degree of Bachelor of Arts in the Department of Arts and Science, are eligible to compete.

HOOR GLASS TO MEET

The Hour Glass Honor Society will meet Wednesday, April 8, at 7:30 p. m., in room 29 of building 4. All members are urged to be present.

WASHINGTON, D. C. APRIL 7, 1925

There will be no issue of the Hatchet for April 14, because of the Easter Holidays, which begin Friday of this week and extend through Wednesday of next week. The next Hatchet will be out Tuesday, April 21.

WILLIAM AND MARY DEBATE

Appearing in the Hatchet last week was a story on the George Washington-William and Mary debate which has caused some criticism because of the unsportsmanlike attitude displayed. This story seems to have conveyed a wrong impression from that intended, but the Hatchet had no such intention in publishing the story. The history, traditions and high standing of the College of William and Mary, and the friendly relationship which has existed between the two institutions for years should serve to discredit any such beliefs from any source.

The facts appearing in the story were received from an authentic source and were printed as true. The Hatchet has always tried to be fair in every way and has tried to avoid any suggestion of an unsportsmanlike attitude. Anything appearing to the contrary is regretted. The Hatchet has also endeavored to print only what is true. Any wrong statements or unfair criticism is regretted.

We are also positive that no statements have been given out by debating officials with the deliberate intention of showing any other than a most sportsmanlike spirit. They, as well as the Hatchet, regret that a wrong impression may have been given.

THE ONE-YEAR RULE

Plans for the adoption of the one-year athletic rule for George Washington University marks another decided step forward in the athletic policies of the University and will open the way for George Washington to enter into athletic competition on an equal basis with all leading colleges and Universities in the country.

The new rule will not go into effect until the opening of the school year in 1926, leaving the next year practically as at present. However, since it is definitely decided to pursue such a policy a year will be none too long to build up an athletic organization which will be in a condition to meet these added requirements. During the past there has been some hesitancy in installing the one-year rule because of the limited number of students in the University available for the athletic teams. It is generally true that many of the stronger men on football, basketball and track teams have

been members of the first year classes.

When the one-year rule is actually put into effect in the University it will enable the football and basketball teams to schedule games with Maryland, Virginia and many of the other outstanding institutions in this section of the country. It will certainly be an inducement to athletes in the University to put forth greater efforts for their school, and it will be an inducement to athletic stars from local high and prep schools to enter George Washington where they have the same opportunities offered by other universities.

University athletics have made rapid progress during the past year. The football team had the most successful season in years. The basketball team won more games than it lost. The rifle team has maintained its former high records and has lost only one match this year. The track squad this year is more promising than ever before. Not only will the institution of the new rule be an inducement to greater efforts on the part of the men on the teams but it will lead to greater support from the student body. If the teams are enabled to meet the best universities in the country the student body will undoubtedly give those teams as much support as accorded teams from other institutions.

CHI OMEGA CELEBRATES THIRTIETH ANNIVERSARY

Phi Alpha Chapter of the Chi Omega Fraternity entertained at a banquet last Saturday evening at the Caire Hotel in honor of the thirtieth anniversary of its founding and also of its newly initiated members. These include Grace Adkins, Helen Walten, Betty Brandenburg, Louise Braswell, Ruth Presgrove, Emily Pilkinton and Ruth Hutchison.

The event also marked the successful close of the Fraternity's Social Service Drive. Miss Dorothy Sims, as chairman for the evening, had arranged a program which included speeches by Mrs. Vesta Lockwood Watson, Beatrice Henning Shaw, Emily Pilkinton and Hattie Wise.

On Sunday afternoon, April 5, the Chapter held its annual Memorial Services at the grave of Alice Cary Simonds Smith, one of the founders of the Fraternity.

PROMINENT ALUMNI AT KAPPA SIGMA BANQUET

Alpha Eta Chapter of Kappa Sigma held their annual banquet at the Franklin Square Hotel on Saturday, April 4. Approximately 100 members were present. Seventy alumni of the local and nearby chapters were present, including Senator Mayfield, of Texas, Admiral John Cabert Boyd, one of the founders of Kappa Sigma, Kenneth R. Romney, Congressman Philip Campbell, of Kansas; Admiral Cary T. Grayson, and Judge J. Harry Covinton.

Benjamin Cain, Jr., as toastmaster, furnished a most interesting program including speeches by Senator Mayfield, Kenneth R. Romney and entertainment in the form of songs and dances by various members of the local chapter.

DELTA ZETA ENTERTAINS INITIATES AT BANQUET

Alpha Delta chapter of Delta Zeta held a banquet at the Burlington Hotel Tuesday night, March 31, in honor of the nine new members initiated the Saturday night before. Tables were attractively decorated with a fraternity color scheme of rose and green. For a center piece was a large Delta Zeta rose basket of rose and green crepe. Large candles lighted the length of the table with smaller candles burning in Delta Zeta incense lamps which each sorority mother had given her daughter. The table was presided over by Vera Stafford, President, and Martha Morgan, toastmistress. A number of alumnae members were present.

The members initiated on March 28 were: Helen Robb, Dorothy Field, Unis Woodward, Elizabeth Springer, Frieda May Davey, Catherine Magill, Mary Whitney, Gertrude Wallace and Mildred Morgan.

STUDENTS INVITED TO ADDRESS BY BRAZILIAN

An invitation has been extended all students in the University by the Charge d'Affaires of Brazil, to attend an address to be given by Hon. Rodrigo Octavio, Professor of International Law at the University of Rio De Janeiro, on "The International Polity of Brazil in America," at the Pan-American Union, Tuesday, April 7, at 5 o'clock.

The engagement of Miss Betty Booth to Robert McNeil, last year's editor of the Hatchet, has recently been made public, the announcement being made following the initiation ceremonies of Pi Beta Phi on Monday night, March 30. Both Miss Booth and Mr. McNeil are popular alumni of G. W., having graduated in the class of '24.

Dean Rose's semi-monthly teas are always campus events of importance. The one given on April 1 was well attended by both the women of the University and members of the faculty. Zeta Tau Alpha Sorority assisted Dean Rose.

Misses Grace Harries and Ellen Littlepage spent the week-end of March 27 at William and Mary College, Williamsburg, Va., as guests of a local group there, which is petitioning Pi Beta Phi.

Miss Olive Geiger entertained members and pledges of Zeta Tau Alpha Sorority at a bridge party Friday evening, April 3. In the midst of the bridge games, a radiogram arrived for Miss Verna Short, ordering her to report at the Little Church Around the Corner in New York, April 22, to await further orders. The message was signed by Ensign Anthony L. Davis, U. S. N. Miss Short graduated from G. W. last June.

Mrs. Charles P. Hancock has announced the marriage of her daughter, Louise Henry, to Winslow Randolph, Jr., of Alexandria, the wedding taking place on Wednesday, March 25, at Baltimore, Md. Both Mr. and

Mrs. Randolph are well known in the University, the latter, a tri-Delt from Randolph-Macon Woman's College, being a student here last year, where she was known as "Mystie" Hancock. Mr. Randolph, who is a member of the Kappa Alpha Fraternity, also attended G. W., coming here from the University of Maryland.

Dinner and bridge at the Restaurant Madrillon formed the entertainment for the Zeta Tau Alphas and their friends last Thursday evening. Liquid refreshment was provided in the shape of numerous little gaily colored bottles, of true pre-war design, but containing nothing more harmful than chocolate candy. Bridge followed the dinner. Prizes were

awarded to Ada Swigart, Beatrice Clephane, and Virginia Eichler.

On Sunday afternoon, April 5, 1924, Zeta Chapter of Sigma Kappa Sorority entertained at tea at the American Association of University Women, 1634 I St., in honor of Mrs. Grace Wilbur Thompson, District Counselor of the Sorority. Among the guests asked to meet Mrs. Thompson were members of the other Sororities in the Pan-Hellenic Council.

Miss Hester Beall entertained at tea for her house guest, Miss Kathleen Wood, Sunday afternoon, March 30. Among the guests were members of Zeta Tau Alpha and Kappa Beta Pi Sororities.

At the left of this group is Lieut. J. A. Macready, U. S. A., former holder of the world's altitude record. Just behind the propeller you can see the G-E turbine supercharger which kept the Liberty motor running in the thin air, six miles high.

Over the mountain by a mile

Year after year, plucky explorers try to climb Mount Everest, the world's highest peak, 29,141 feet high.

With a G-E supercharger feeding air at sea-level pressure to the engine, an airplane pilot can go far higher. Lieut. Macready has reached 34,509 feet over Dayton, Ohio. He would have soared over Mount Everest with more than a mile to spare!

The tasks attempted for centuries in almost every form of human endeavor have been conquered with the aid of electricity, with more than a mile to spare.

The impossible today will be accomplished by men and women now in college. The scientist and engineer are doing their share. It remains for men and women entering upon their life's work to profit by the new opportunities that are constantly appearing in every profession and vocation in the land.

The supercharger is a turbine air compressor, which revolves as fast as 41,000 times a minute—the highest speed ever developed by a commercial machine. It is designed and made by the General Electric Company, which also builds the big turbines that supply electric light and power.

If you are interested in learning more about what electricity is doing, write for Reprint No. AR391 containing a complete set of these advertisements.

Felix writes from—
Monte Carlo
Say, old dear, didja ever dream of bustin' the 1st Natl. Bank of Monte Carlo? Well, that's what your Uncle Felix just came near to doing. The trouble was that he didn't stop and played on in good old poker style to give the poor bank a chance, which was lucky for them. Why, at one time I held first and second mortgages on the Casino.
It was like being allowed to hold a gold brick for a second, though, and then have to give it back. Anyway, money is the root of all evil and I didn't wanta be a source of crime.
I was thinking of having the Casino fixed over for my Riviera residence and buying a couple of those slick yachts lying down in the bay in the moonlight, but gave up the idea to continue with the Purmews tomorrow to Switzerland.

HATCHET TANK SEASON CLOSED WITH S. A. MEET

Conclusion to First Aquatic Season Marked with Several Victories

George Washington University men's swimming team closed their 1925 season Saturday, with the entry of several members of the team, both attached and unattached in the South Atlantic A. A. U. championships in the Catholic University pool.

Joe Stansfield, plunger, was the only Hatchette to place, taking third in the plunge for distance.

Starting the season with an unusually good assortment of scholastic stars, and Coach Brunner of Central High School, who has developed a number of All-American men, injuries, illness and ineligibility on account of scholastic difficulties reduced the team to a shell.

The Hatchettes won the first three meets of the year, defeating Central High and Devitt Prep in practice meets, and swamping Catholic University. Meets were dropped by wide margins to Lehigh, Swathmore and the Naval Academy. Baltimore Athletic Club, four times South Atlantic A. A. U. champions, defeated the Buff and Blue by a small margin in the closing meet of the year.

Nearly every man on this year's team has three years' competition ahead of him and it is possible that the entire squad will be out again next year. With one year's experience and a knowledge of Coach Brunner's methods the 1926 season should be very successful.

GIRLS' SWIMMING SEASON TO CLOSE ON APRIL 8

The girls' swimming season will close officially Wednesday, April 8, so all those who would like to put some finishing touches on their stroke should report before that time. On March 25, the girls participated in some informal races with the second team of the Capital Athletic Club, and shared honors evenly. The George Washington girls took the back stroke, the relay, placed second in the wave stroke and third in the side stroke. The relay was the most ex-

citing event of the evening. George Washington winning by about two inches. Those who took part in the match were Dot Boatley, Louise Strother, Mildred Von Euff and Alice Ranck.

CHEMISTS WIN OPENER FROM ENGINEERS TEAM

Three Games in Interdepartmental League to Be Played This Week

In the opening game of the interdepartmental league last Saturday the Chemists upset all advance dope and decisively defeated the Engineers team to the tune of 7 to 3. Clapper, pitching for the Chemists, was wild as a hare, issuing nine walks, but he always managed to tighten up in the critical moments and with excellent support kept the score down. He struck out thirteen men.

The hitting on both teams was light but the Chemists hit when their hits meant runs, and the nine errors made by the Engineers contributed generously to the score. Curtis, pitching for the Engineers, turned in a fair performance, allowing only six hits and walking two, but his teams' inability to hit cost him the game.

The Chemists got away to a good start in the first inning by scoring two runs after two were out. Dixon walked and took second on Kyle's error of Clapper's grounder. Clapper stole second and both scored a minute later on a double to right by Valentine. The Engineers threatened in the second inning by getting three men on bases but a forced infield out curbed all chance of scoring.

The Chemists scored two more runs in their half when Yolson walked and took second on McNab's sharp hit to right. Yolson and McNab scored as the Engineers had a temporary lapse and could not hold the ball.

Neither side scored until the Engineers added three markers to their credit in the fifth. Gould walked, advanced to third and scored on a wild pitch. Manning was safe on an error at first and Curtis walked. Both scored when Crawford poled a hit over second.

In the Engineers' half of the seventh Fuch cut off two runs by making a "big league" catch from Crawford's bat and retiring the side.

The Chemists came back with vengeance in the eighth and scored three runs, practically clinching the game. Valentine again drove in Dixon and Clapper with his second hit of the day, scored when Curtis threw badly to get Kuntz at first. The Engineers rallied in the ninth, but their efforts were fruitless. Murray was safe on an error by Suib, Hammond and Chill walked, filling the bases, but Clapper tightened up for the last time and fanned Curtis for the final out.

Games This Week

The Columbian College team has two games scheduled for this week. On Tuesday they face the Pre-Meds in their initial contest of the series, while on Thursday they are scheduled to play the Engineers. The Chemists and Pre-Meds play Saturday.

The Engineers lost two good men when Mayburn and Smith cast their lot with Columbian College. The "A. B. Hopfuls" have acquired the services of Sanderson, former Trinity pitcher, and should present a formidable lineup to start the season. The four clubs are evenly balanced and everything points to an interesting race for the cup and championship of G. W.

GIRL BASKETEERS ELECT Alys Ewers Captain

At a dinner given by Dean Anna L. Rose to members of the Girls' Basketball Team at the University Cafeteria last Wednesday evening, Alys Ewers was elected to captain the 1926 squad. The dinner was the climax of a successful season in which the girls emerged victorious in five of the eight games played.

Congratulatory speeches were made by Dean Rose and Dr. William Cline Borden, who following the dinner presented letters and sweaters to the members of the quint. Gold basketballs, awarded the team by the Pan-Hellenic Council in recognition of their record, were presented to the members by Marguerite Daly. Mary Bixler, captain, presented Dean Rose on behalf of the team an honorary "G. W." and sweater.

Guests included Mrs. William Mather Lewis and her daughter, Sally, Dean and Mrs. Hodgkins, Dean and Mrs. Van Vleck, Dr. and Mrs. Borden, and Misses Evans, Daly, Jones and Kincannon.

Girls receiving sweaters and letters were: Alys Ewers, Grace Young, Louise Omwake, Leah Cate, Mary Bixler, Elizabeth Hastings, Betty Armentrout, Gene Jackson, Ella April, Katherine Shoemaker, and Alice Haines.

An attractive color scheme in yellow was carried out in the decoration of the rooms and table.

MEETING POSTPONED
The meeting of the George Washington Political Science Club scheduled for Tuesday, April 14, has been postponed until one week later, Tuesday, April 21.

KAPPA DELTA LEADS IN INTERSORORITY BOWLING

Contest Will Be Completed Within Week; Victors to Receive Cup

Not to be outdone by the men's fraternity bowling contest, the girls have organized an inter-sorority bowling tournament.

The first match was rolled last Wednesday night at King Pin Alleys No. 1, with the Kappa Delta's getting the high score of 1,038, against Zeta Tau Alpha's 950.

Elizabeth Gladman, of Z. T. A., and Gertrude Cook, of the Kappa Deltas, were tied for highest score with an 88 each. The latter tied with Lucille Matthews, her teammate, for high set, each rolling 242.

The matches will be run off in rapid succession this week, the championship to be decided by Thursday night.

Scores will count as in the Inter-Fraternity contest, a silver cup going to the team having the highest total score for the three games. The trophy cup will be presented at the Pan-Hellenic Prom. Any inquiries should be made to Frances Walker, manager.

The following is the schedule of matches:

II. Tuesday afternoon, 2:00, April 7, 1925—Alpha Delta Pi vs. Gamma Beta Pi.

III. Tuesday evening, 7:45, April 7, 1925—Phi Nu vs. Chi Omega.

IV. Wednesday evening, 7:45, April 8, 1925—Delta Zeta vs. Phi Sigma.

V. Thursday evening, 7:00, April 9, 1925—Sigma Kappa vs. Pi Beta Phi.

ANOTHER PERFECT SCORE FOR CO-ED MARKSMEN

Sharpshooting co-ed wearers of the Buff and Blue swept on their winning way in their telegraphic match last week, turning in another perfect score of 500 x 500 to defeat the University of Vermont team. The team from the Green Mountains shot 488 x 500.

This is the fifth time this season that the George Washington girls have turned in perfect targets, and gives them an unbroken string of victories for the season. Probably no other female rifle team in the world has such a record as the local markswomen, most of whom have had several years of firing experience in high school and in college.

Sallie Burklin, Adelaide Cotter, Captain Katherine Edmonston, Mae Huntzberger, and Edna Kilpatrick each turned in possible targets. Virginia McBride and Anna Wright were tied at 99 each for high honors of the Vermont team.

This is the final telegraphic match of the season on the regular schedule. Several additional matches may be scheduled later.

CHI OMEGA LEADING IN GIRL COURT GAMES

The final week of inter-sorority basketball opens with Chi Omega, Pi Beta Phi, and Gamma Beta Pi tied for the lead. Chi Omega, by virtue of its defeat of Alpha Delta Pi last Wednesday, has won two games and lost none. Each of the others have won a game each. The show-down will come this week when these three teams play for the championship.

The Chi O's had considerable difficulty in overcoming the A. D. Pi team in the April Fool Day battle, winning 35 to 21, after a hard game.

Not disheartened by their defeat at the hands of the speedy Chi Omegas, the girls of A. D. Pi came back strong in the battle against the Delta Zeta sextet, winning easily by a 57 to 8 score.

The standing of the teams is as follows:

	Won.	Lost.	Pct.
Chi Omega	2	0	1.000
Gamma Bet Pi	1	0	1.000
Pi Beta Phi	1	0	1.000
Alpha Delta Pi	2	3	.400
Delta Zeta	0	2	.000
Sigma Kappa	0	2	.000

HATCHITE SHARPSHOOTERS DEFEAT MARYLAND U.

George Washington University rifle-men defeated the Maryland University team, 500-496, in a special match shot on the latter's range. The match was a shoulder-to-shoulder affair, shot from the prone position.

The Hatchette team composed of Schrecker, Parsons, Smith, Plugge, and Riley, turned in five perfect scores. Lyons was the only Maryland man to shoot 100; the remaining four of his team, Ninas, King, Rogers and Schremer, shot 99 each.

CIRCULO ESPANOL HOLDS DEBATE IN SPANISH

"Resolved, That the girl should make the date," was the subject of a debate given by members of El Circulo Espanol at the regular meeting of the society held last Thursday. To further complicate matters the debate was given in Spanish. As a large number of men were in the audience it is not difficult to guess how the debate was decided.

Makes Autos Go 49 Miles On Gallon of Gasoline

An amazing new device has been perfected by James A. May, of 7025 Lacotah Bldg., Sioux Falls, So. Dak., that cuts down gas consumption, removes all carbon, prevents spark plug trouble and overheating. Many cars have made over 49 miles on a gallon. Any one can install it in five minutes. Mr. May wants agents and is offering to send one free to one auto owner in each locality. Write him today.

MENORAH ADDRESSED BY NATIONAL OFFICER

Dr. Hurwitz Says Jews Themselves
Are Responsible for Present
Status

Dr. Henry Hurwitz, Grand Chancellor of the Inter-Collegiate Menorah Association, was welcomed last Thursday evening in Corcoran Hall by a large number of Hebrew students of George Washington University and members of the local chapter of that society. Rabbi L. J. Schwefel, of the Sixth Street Synagogue, and Dr. W. A. Wilbur, Dean of Columbian College, were also greeted and addressed the organization.

Chancellor Hurwitz reviewed the history of the Jewish national literature and urged the development of modern forms of it based on the Jew's known traditional knowledge of art and culture.

Decrying the present relationship of the Jew with the balance of the world, Chancellor Hurwitz declared that it was the Jew himself who is to blame in a majority of cases. "This," he said, "is because the Jew does not know his own people, and is not able to appreciate them and so explain them to the other members of human society." The Jew of a boastful nature too deserves censure for present misunderstandings. The Menorah Society, he continued, can aid considerably in bringing about a readjustment of social conditions by elimination of both of these faults in its ranks.

Dean Wilbur lauded the work of the Association and assured it of the University's continued support of the society's activities where at all practicable.

The next meeting of the Menorah Society is scheduled for Tuesday, April 21, in Corcoran Hall. It is expected that the long-heralded musical, entirely of Hebrew composition, will be given at this time.

SENIOR CLASS RINGS

Seniors interested in securing miniatures of the 1925 class ring are requested to get in touch with H. H. Mitchell, 1105 K St., N.W., Franklin 9300-J. If a sufficient number are desired Balfour Company have agreed to make up the dies. Also students interested in Senior class rings are urged to get in touch immediately either with Mitchell, or L. D. McCarthy, 1803 19th St., N. W., North 2317.

FOUR INITIATED INTO SPHINX HONOR SOCIETY

Girls High in Scholarship and
Prominent in Activities Receive
Highest Honor

Four girl students prominent in University activities and high in scholarship, received one of the highest honors that may be conferred at George Washington when initiated into the Sphinx Honor Society, March 25. Those initiated were Ruth Williams, Sophia Waldman, Isabella Brown and Lyne Smith.

Ruth Williams is a member of the Hatchet and Cherry Tree staffs, participated in last year's track and field meet, is a member of the student endowment committee, the Political Science Club, the Y. W. C. A., and the Pi Beta Phi Sorority. She is on the Finance Committee of the Junior Class and is chairman of the Junior Reception Committee.

Sophia Waldman has been on the Girls' Rifle Team since 1923, and has managed the team for the last two years. She has been active in women's basketball and track events, and is a member of the Hour Glass Honor Society, the Athletic Council, and the Pi Beta Phi Sorority.

Last year Isabella Brown was vice-president of the Junior Class in Teachers' College, served on the Junior Week Publicity Committee, and was a member of the orchestra. She is now secretary to the Senior Class in Teachers' College, a member of the Cherry Tree Staff, and a team captain in the Endowment Campaign.

Lyne Smith is on the Student Endowment Committee, has served on the Hatchet staff, is active in dramatics, and is a member of the Spanish Club. She is vice-president of the Enosian Honor Society, and a member of the Gamma Eta Zeta and Chi Omega Sororities.

The Sphinx Honor Society was founded in 1912 for the purpose of promoting high scholarship and student activities. Juniors or seniors who have averaged 90 percent or better in scholarship and have engaged in extra-curricular activities are eligible to membership. Membership in the society is limited to seven.

UNVEIL PORTRAIT OF GEN. LAFAYETTE

Copy of Ary Schaeffer Painting
By Mrs. Minnigerode Andrews
Presented to G. W.

FOR LAFAYETTE ALCOVE

Mrs. Andrews Gives Inspiring Incidents of Life of Famous Frenchman in Talk

A beautiful copy of the Ary Schaeffer portrait of General Lafayette, painted and donated to the University by Mrs. Minnigerode Andrews, was unveiled in Chapel, Monday, April 6, by Marguerite Daly, president of the senior class of Columbian College.

The picture is taken from the old historic portrait which has for years hung in the House of Representatives, on the left of the speaker. On the right of the speaker hangs the painting of George Washington, holding jointly with his French friend the place of honor in the House. The original work is one of the finest of the numerous great works of Ary Schaeffer, the Dutch painter of that time.

The unveiling of the picture by Marguerite Daly was followed by an all too short talk by Mrs. Andrews. In a language sparkling with wit, and an accent unmistakably Virginian and thoroughly delightful to all her hearers, Mrs. Andrews told of her conception of Lafayette, first, as a young man at Metz, and then as an old worn-out but indomitable soldier visiting for the last time his American friends.

It is as an old man that Lafayette is pictured in the portrait by Mrs. Andrews; an old man with a grim, stern face, and hair untouched by gray. It was made at the time of his final visit to America, when he was present at the first commencement of George Washington University. The hundredth anniversary of this event was celebrated on the fifteenth of last December, and Jean Jules Jusserand, Ambassador from France, set another precedent when he spoke at the Memorial Services for his countryman.

It was with a little regret, according to Mrs. Andrews, that she finally gave up the idea of painting Lafayette when he was in the fire of his youth. She pictured him standing among his middle-aged companions listening to their arguments for and against the question of joining the colonies in their struggle for independence. His final decision that he and his sword were going to America, his declaration, "I am but one, but I am one," form ample inspiration for a glorious painting, intimately bound up with the history of the country.

However, the Lafayette of later years who went to Monticello to say goodbye to Jefferson, also grown old but equally as much the fighter as his old friend, is a personality more familiar to those used to the University traditions. This picture was, therefore, the one chosen.

At the close of her speech, which kept the audience intensely interested both in the subject and in Mrs. Andrews herself, the Washington artist made a plea for support in her attempts to do something toward preserving Monticello as an historic American shrine. The following little extract from her speech is the keynote of her campaign in this instance: "I am but one, but I am one; I cannot do everything, but I can do something; what I can do, I ought to do; What I ought to do, I will do."

COLUMBIAN WOMEN TO HOLD ANNUAL BANQUET

Mrs. James J. Davis, wife of Secretary of Labor Davis, and Mrs. William Mather Lewis will be guests of honor at the annual banquet of the Columbian Women which will be held April 21 at the Chevy Chase Country Club. Approximately two hundred graduate and undergraduate members of the Columbian Women will be present.

Twenty Columbian College students have been selected to act as ushers at the dinner. Those appointed as ushers are Marguerite Daly, chairman of the ushers; Sallie Burkin, Catherine Wright, Maxine Rolle, Dorothy Croissant, Helen Perriam, Jeanne Gravette, Elizabeth Ernest Springston, Sallie Lewis, Alice Haines, Martha Coffin, Harriet Hosmer, Margaret Smith, Ruth Bennett, Rosemary Arnold, Betty Bradford, Estelle Siegler, Helen Boyd, Matalee Lake, and Mary McFetridge.

G. W. Senior Dies

Word has just reached the Hatchet of the sudden death of Miss Mabel M. Smith at her home in Pennsylvania yesterday. Funeral services will be held Wednesday at Reynoldsville, Pa.

Miss Smith was a student in Columbian College and a member of the graduating class of '25. She was a member of the Columbian Women, of the History Club, was an excellent student, and had many friends in the University.

SENIOR DATA CARD

All senior data for the Cherry Tree, including name, home address, honors, etc., must be in the hands of Isabella Brown, 4606 15th St., before April 15. Data cards may be secured at the Registrar's office.

RULES ANNOUNCED FOR ANNUAL MEET

(Continued from page 1)

Coach Crum will award the other cups and medals. The funds obtained by G. W. Club dance will be used to defray the expenses of the meet.

The following rules for conducting the meet have been announced:

1. No spiked shoes permitted.
2. Classes represented shall be the Freshman, Sophomore, Junior, and Senior.
3. A student registered in more than one department of the University will be considered a member of the class in which he is carrying the greater number of hours work.
4. Special students shall rank according to the number of hours' work passed.
5. Graduate students shall represent the Senior Class.
6. First Year Class, Law Department, shall rank as Sophomore Class, Second Year Class as Junior Class, and Third Year Class as Senior Class.
7. Competition is limited to students registered in the University.
8. No member of the Varsity track team permitted to run in the "Closed" or "Feature" events.
9. First, Second, and Third places shall count 5, 3, and 1, respectively.
10. Feature events will not count on points for the class trophy.
11. To hold any event there must be five entries and three contestants.
12. An entry blank must be filled out by every contestant and be in the hands of the clerk of the course, Stanley J. Tracy, 1733 N. St., N. W., Washington, D. C., not later than April 13, 1925.
13. Awards will be made to the first four point winners in the open events, first three point winners in the closed events, and first four point winners in the women's events.
14. Entry blanks, when prepared, may be left with Miss Woodford at the gymnasium during the day, with Coach Proby of the track team, after 7 o'clock at the gymnasium every evening, or mailed to the clerk of the course at the above mentioned address.
15. Following are the events:

Men

- | | |
|------------------------|----------------------|
| 100-yd. dash (open). | 2 mile run (open). |
| 100-yd. dash (closed). | Running Broad Jump. |
| 220-yd. dash (open). | Running High Jump. |
| 220-yd. dash (closed). | Shot Put (open). |
| 440-yd. dash (open). | Javelin Throw, open. |
| 600-yd. run (closed). | Discus Throw, open. |
| 880-yd. run (open). | Pole Vault (open). |
| 1 mile run (open). | |

Women

- | | |
|----------------|---------------------|
| 50-yard dash. | Standing Broad Jump |
| 70-yard dash. | Running High Jump. |
| 100-yard dash. | Baseball Throw. |

Feature Events

- | | |
|---------------------------------------|-------------------------------------|
| Inter-Fraternity Relay Race (½ mile). | Inter-Sorority Relay Race (¼-mile). |
|---------------------------------------|-------------------------------------|

KAPPA ALPHA ELECTS

At the annual election of the Kappa Alpha Fraternity held Sunday, March 29, Hugh H. Clegg was elected number 1 of the local chapter. Officers will be installed at the next meeting.

INTERESTING HISTORICAL EVENTS

Do You Know

—that John Hancock, as President of Congress, signed the commission of George Washington as Commander-in-Chief of the American armies in the Revolutionary War? The original commission is at Washington, D. C., in the Library of Congress, Division of Manuscripts, where you may see it at any time and note the famous signature.

We suggest that every college student utilize the first opportunity for a trip to the National Capital and make a point of looking at the Declaration of Independence, Washington's commission, and other important documents bearing on American history.

We believe a visit to Washington makes better Americans of us all.

The John Hancock is particularly interested in insuring college men and women and obtaining college graduates for the personnel of the field staff.
